

NORTH QUEENSLAND FURY **SMALL SIDED GAMES**

The Fury offer an unforgettable opportunity for children aged from 5 to 12 years to be part of the excitement of a pre-match build up before watching your North Queensland Fury take on their opponents on the same hallowed turf.

OVERVIEW

As the Fury is a club which is committed to the development of Football in the whole North Queensland Community we would like to invite your club to be part of our match day events. We will be hosting:

- 4 small sided games (8 teams) pre-match – 6:10pm – 6:40pm (approx 30 minutes) for all future home games beginning with round 11 versus the Wellington Phoenix.

*Please note there will be some opportunities to be part of the half time action and I will advise when this will occur. (Approximately 4 times this season)

INVITE

Due to demand we would like to invite teams in age groups U6 -U12 to participate. Interested clubs must nominate 2 teams in one of the of the age divisions who will play against each other on the day. Age groups may be combined within reason if clubs are struggling to field two teams of the same age.

UNIFORMS

We ask that players wear their local club uniform. With teams from the same club playing each other please wear an 'Away' uniform or provide bibs.

If the club uniform has a sponsor's logo we ask that you email a photo of this to us so that we can check if there is any conflict with our sponsors and we may ask you to cover it on game day.

Players are to also wear shin pads and boots and we encourage hats and water bottles.

TICKETING

Each participant will receive a general admission ticket for themselves plus one for an accompanying person (parent/guardian etc). I have allocated 15 per team to cover 7 players plus an accompanying adult each and a coordinator (coach). You may collect these from our office at Dalrymple Road during business hours.

OPTUS SMALL SIDED GAMES REGULATIONS

5v5 (This may vary provided the teams are even, and it's not too crowded)

20mX30m field

Size 3 or 4 ball depending on age group

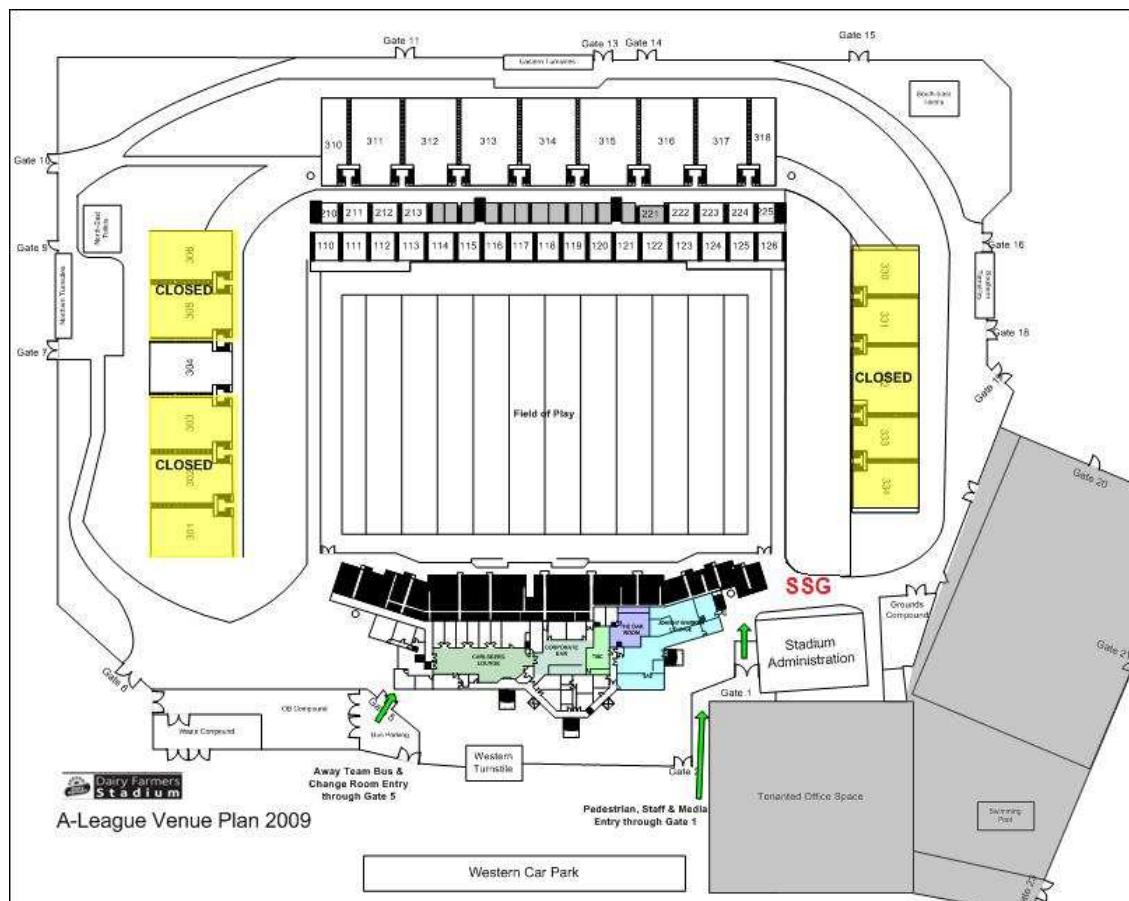

*All equipment provided

MEETING TIMES

- Pre- match participants 5:50pm

MEETING POINT

To prevent any meeting issues I would advise handing out tickets to participants prior to game day as venue staff will not allow cars to enter any of the car parks without a car park pass, and dropping off kids by the road is not encouraged. Once inside the stadium please meet at the point marked on the map below (**SSG**) – South West Corner by the stadium administration building

NOMINATIONS

We would like to see nominations from all areas of North Queensland and we will try to accommodate those clubs travelling over an hour to attend the match.

Nominations will be accepted for all rounds and you will be notified accordingly if you have been successful.

Please email mark.burgess@ngfury.com.au to express your interest.
